Our South Lake Tahoe campground is just a short walk from the lake with over 200 tent sites in two locations nestled in the shelter of towerin

g pine trees. Badger's Den Campground, located on the lake side of Highway 89; and Eagle's Nest, across the street from Badger's Den Campground, offers two tent campground options, complete with newly renovated bathrooms, for the summer visitor. Enjoy Camp Richardson's full amenities while you're on your Tahoe camping trip...full-service marina with boat rentals, lakeside restaurant, general store, mountain sports center, ice-cream parlor and coffee & confectionery are all within a short walk. Enjoy the exquisite nature that South Lake Tahoe has to offer, just steps from the conveniences of a full resort.

Information about camping at Camp Richardson Resort

Please note: Camp Richardson Resort has a strict no smoking in the buildings and no pet policy. Below is a video on some of the rules & regulations for camping in the Tahoe basin and at Camp Richardson Resort. Thank you

As with all wilderness areas, please be aware that Camp Richardson Resort & Marina has an abundance of wildlife: squirrels, ducks, raccoons and bears to name a few. Please, while you are visiting Camp Richardson, don't feed any animals. Never leave food out on a picnic table or in a tent. All food, coolers, and food containers should be put away inside your car. Garbage should be disposed of in animal-proof dumpsters. If these simple rules are followed, the wildlife in our area will not pose a threat to campers.
