Important Information for boat owners:

Due to the infestation of aquatic invasive species in nearby lakes, Lake Tahoe has mandatory boat inspections before launching any watercraft. Your watercraft MUST have the current inspection sticker & approval before using any Lake Tahoe launching facility. For more information, please click here. The closest inspection station to Camp Richardson is 2128 Keetak St., Meyers, CA near the intersection of Highway 89 & 50. The station is open from

8am-8pm. Click here to view location map.

During the marina's operating months, please call **530-542-6570** for more information, current conditions, or to reserve a rental. For information, rates and mooring reservations please e-mail **marina@camprichardson.com**
